Brian called the meeting to order at 7:10 p.m. at Town Hall.

Brian informed those present that Kimberly and Brian would be attending the Selectboard Meeting on December 13 at 7pm to for a brief update from our committee to that board and town staff (Paula and Allan). We need to make sure we're all on same page with priorities, how we're approaching all the pathways forward, and convey a sense of urgency

Brian also reminded everyone that our next meeting is on December 19 at 7pm.

Due to lack of a key to the town hall and the inclement weather, Brian postponed the remainder of the agenda and the meeting adjourned at 7:15 p.m.
