

Approved 9/14/2017

Plainfield Energy Committee Meeting 8/10/17

Minutes:

Meeting convened at 7:25. Present were Tim, Conrad, Judy and Steve

June and July meetings didn't have a quorum..

\$4,072. Was approved by DOER for LED Light upgrades for the town. Tim Smith of World Energy hasn't responded to requests for a proposal.

Ryan Cowles re-did the audit and found different results than Smith and is sending them Friday.

Nexamp is signing up residents for their 15% discount program.

Tim will post the PEC vacancy.

Tom Bowman Engineering came and did a walk-thru of the Highway Garage for a level 2 audit on July 14. We're waiting for results.

No response on the META grants.

DOER has granted a waiver for the town Dog Officer vehicle that was approved at Town Meeting as being more efficient than a van.

Reports received from Solar Store and Aaron Simms from SunBug for pv systems for the 4 town locations.

Noah Crispi from Upower Solar may be interested in coming out this winter when he is less busy.

Tim is communicating with CoopPower re: the Sunshot Federal program

The Town of Whately has agreed to be the "host customer" meter as the virtual producer.

Meeting adjourned at 8:40.

Respectfully,
Stephen Bushway
