Article 4. To see if the Town will vote to amend the MOHAWK TRAIL REGIONAL SCHOOL DISTRICT - REGIONAL DISTRICT AGREEMENT by striking the following language contained in Section III(B):

Subject to the provisions of this section, it is intended that elementary students residing in the member towns of Ashfield, Buckland, Colrain, Heath, Plainfield and Shelburne (the “pre-K-12 Member Towns”) will receive their education in facilities located in the District and will be assigned as follows: Ashfield and Plainfield residents to Sanderson Academy; Colrain residents to Colrain Central School; Buckland and Shelburne residents to Buckland Shelburne Elementary School; and Heath residents to Heath Elementary School. Notwithstanding the above, students may be educated in a District school other than as assigned above upon (i) a majority vote of the School Committee, and (ii) an affirmative vote by both (a) the member town or towns whose students are so assigned, and (b) the member town or towns served by the District school to which such students will be assigned, acceptance by each town to be a majority vote at an annual or special town meeting.

However, it is also the intent of this Agreement that the closure of a District elementary school building and the reassignment of all students being educated in that building may not be accomplished under this section. Rather such action

requires an amendment to this Agreement, the process for which is contained in Section XII.

and replacing said language with the following:

The pre-K-12 Member Towns are defined as Ashfield, Buckland, Colrain, Plainfield, Heath, and Shelburne. Subject to the provisions of this section, it is intended that elementary students residing in the member towns of Ashfield, Buckland, Colrain, Plainfield and Shelburne will receive their education in facilities located in the District and will be assigned as follows: Ashfield and Plainfield residents to Sanderson Academy; Colrain residents to Colrain Central School; and Buckland and Shelburne residents to Buckland Shelburne Elementary School. Elementary students residing in Heath will receive their education in the Hawlemont Regional School District pursuant to a tuition agreement between the Mohawk Trail Regional School District and the Hawlemont Regional School District through no longer than June 30, 2023. During the period of such tuition agreement, the Town of Heath shall seek in good faith to negotiate with the Hawlemont Regional School District regarding joinder of the Town of Heath into the Hawlemont Regional School District for elementary education. The tuition agreement shall constitute a binding financial obligation of the Mohawk Trail Regional School District pursuant to the provisions of G.L. c. 40, § 4A and/or any other enabling legislation. Heath may withdraw from the Mohawk Trail Regional School District for grades PK-6 in accordance with the "Withdrawal" section of this Agreement. Heath shall remain responsible for its outstanding indebtedness, if any, including but not limited to OPEB, to the Mohawk Trail Regional School District despite such withdrawal in accordance with the terms of the Regional Agreement.

If, upon the expiration of such tuition agreement, as may be extended, Heath and the Hawlemont Regional School District have failed to reach agreement as to the joinder of Heath into the Hawlemont Regional School District, elementary students residing in Heath will receive their education in facilities located in the Mohawk Trail Regional School District, the specific location(s) to be decided as provided herein. The Mohawk Trail Regional School Committee will offer at least two (2) facilities located in the District as options for educating the elementary students of Heath and the Heath members of the Committee will determine which one (1) facility to recommend to the Committee for the placement of all Heath resident elementary students. No facility will be approved by the

Committee without the affirmative votes of both Heath Committee representatives, provided however that in the event of a tie vote between such Heath representatives, or in the event that there are vacancies in the positions of Heath representatives, a majority vote of the Committee will prevail. The determination must occur no later than November 1st of the school year prior to the change.

Notwithstanding the above, students may be educated in a District school other than as assigned above upon (i) a majority vote of the School Committee, and (ii) an affirmative vote by both (a) the member town or towns whose students are so assigned, and (b) the member town or towns served by the District school to which such students will be assigned, acceptance by each town to be a majority vote at an annual or special town meeting. However, it is also the intent of this Agreement that the closure of a District elementary school building (other than the Heath Elementary School which was closed as of June 30, 2017) and the reassignment of all students being educated in that building may not be accomplished under this section. Rather such action requires an amendment to this Agreement, the process for which is contained in Section XII.

Article 26. To see if the Town will vote to accept the reports of the Town Officers, Boards, Committees, Trustees, etc. as printed in the Town Report.

Article 27. To see if the Town will vote to approve the following non-binding resolution: Resolution for Federal and State Carbon Fee and Dividend

A Resolution Relating to the Growing Risks of Climate Change

To ask the Town of Plainfield to adopt the following non-binding Resolution, or take other action relative thereto:

WHEREAS climate change poses a serious threat to the Town of Plainfield in terms of the economy, public health, and the environment;

AND WHEREAS as a result of climate change, the Northeast is experiencing warming temperatures and a large increase in the amount of rainfall measured during heavy precipitation events;

AND WHEREAS more frequent heat waves in the Northeast are expected to increasingly threaten human health through more heat stress, droughts, and air pollution;

AND WHEREAS sea level rise and more frequent heavy rains are expected to increase flooding and storm surge, threatening people and infrastructure, necessitating increased costs for damage control;

AND WHEREAS as temperatures rise, agriculture will likely face reduced yields, potentially damaging livelihoods and the regional economy;

AND WHEREAS Carbon Fee and Dividend will significantly reduce carbon emissions, create jobs, grow the economy, save lives, and protect households from higher energy prices;

AND WHEREAS most economists, from conservative to liberal, agree that the most cost-effective way to cut carbon pollution is to add a fee that steadily raises the price of fossil fuels;

AND WHEREAS legislation addressing climate change should not economically burden Plainfield and its citizens;

AND WHEREAS Carbon Fee and Dividend will protect lower and middle-income households, as two thirds of families will break even or receive more in dividends than they would pay for in higher living expenses;

AND WHEREAS Carbon Fee and Dividend will create jobs, as the dividend puts money back into local economies;

AND WHEREAS Carbon Fee and Dividend is a market-based solution in which a fee is levied on carbon-based fuels as they come out of the ground or as they are imported, with all monies returned in equal shares to households as a dividend, thus leveraging market forces that encourage investments in increased energy efficiency and alternate sources of energy by both industry and consumers;

AND WHEREAS Carbon Fee and Dividend will employ a "border adjustment" to protect domestic businesses. The "border adjustment" will use import/export fees and rebates to neutralize any impact to the cost of domestically produced products, and incentivize other states to adopt a comparable carbon fee;

AND WHEREAS in the absence of federal Carbon Fee and Dividend, the Commonwealth of Massachusetts can pass state Carbon Fee and Dividend (or "Rebate");

THEREFORE, BE IT RESOLVED that the Town of Plainfield calls upon the Massachusetts Legislature and the United States Congress to implement Carbon Fee and Dividend (or “Rebate”), placing a steadily rising fee on carbon-based fuels, and returning all fees collected, minus administrative costs, to households;

AND BE IT FURTHER RESOLVED that upon passage, the Plainfield Town Clerk shall mail copies of the resolution and vote to the President of the United States, Donald Trump; the Speaker of the United States House of Representatives, Paul Ryan; the House Minority leader, Nancy Pelosi; the Majority and Minority leaders of the U.S. Senate, Mitch McConnell and Charles Schumer; the U.S. Senators representing Massachusetts, Edward Markey and Elizabeth Warren; the Congressperson representing our district, Richard Neal; the Governor of Massachusetts, Charlie Baker; the Massachusetts Senate President, Stan Rosenberg; the Speaker of the Massachusetts House, Robert DeLeo; and the state senator and state representative from our district, Adam Hinds and Steven Kulik.

Article 28. To see if the Town will vote to approve the following non-binding resolution:

Resolution endorsing the protection of pollinators and enhancement of pollinator habitat

WHEREAS, Bees and other pollinators are a crucial component of a healthy ecosystem and a vital link in our food system, providing the pollination responsible for over three quarters of the world’s plant species, and for one out of every three bites of food that we eat, and

WHEREAS, pollinator populations are in sharp decline due to human land use practices that are causing ongoing habitat loss and fragmentation, the expansion of pesticide use by consumers and professionals, and the spread of pathogens and parasites, and

WHEREAS, extensive research has documented that neonicotinoids and other systemic pesticides have been shown to cause illness and death to honey bees, native bees, butterflies, moths, other insect pollinators, and beneficial insects, and

WHEREAS, guidelines for land management best practice are available which allow residents, businesses, farms, towns, and land trusts to manage their land in ways that increase pollinator forage and nest sites while decreasing maintenance costs.

NOW, THEREFORE, BE IT RESOLVED by this Town Meeting that the Town of Plainfield is hereby declared a Pollinator-Friendly Community and that the town encourages the adoption of policies and practices that support pollinator health by minimizing the use of insecticides as already encouraged as “responsible” practices in the Plainfield Right to Farm By-Law .

BE IT FURTHER RESOLVED that the Town of Plainfield will set an example by adopting the pollinator-friendly practices below and encourage property owners, residents, town departments, business owners, and land trusts to adopt pollinator-friendly practices including:

*Planting more pollinator-supporting forage on their property, emphasizing native plant species, and adopting organic or chemical-free lawn and landscaping practices;

*Avoiding the planting of flowering plants which are treated with systemic insecticides and avoiding the use of seeds coated with systemic neonicotinoids;

* Avoiding the use of insecticides, including systemic insecticides on their property.

The Town clerk is requested to send copies of this resolution to Governor Charlie Baker, Massachusetts Department of Agricultural Resources Commissioner John Lebeaux, State Senator Adam Hinds, and State Representative Stephen Kulik, or to take any other action relative thereto.

Article 29. To see if the Town will vote to approve the following non-binding resolution:

The American Anti-Corruption Act

The act seeks to make it illegal to purchase political influence.

The Act has three primary goals:

- **Stop political bribery** so special interests can't use job offers and donations to influence politicians. No lobbyist bundling.
- **End secret money** so people know who's buying political power. Ensure that all significant political fundraising and spending is immediately disclosed online and made easily accessible to the public.
- **Fix our broken elections** so that the people, not the political establishment, are the ones in control. **End gerrymandering.** Ensure accurate representation for all voters, regardless of political party.

Non-Binding Resolution Supporting State and Federal Legislation to Provide Greater Transparency in Political Donations and Limit the Influence of Money in Politics

The citizens of the Town of Plainfield, Massachusetts, support tough new anti-corruption laws to close loopholes in Massachusetts' campaign finance regulations that currently allows unregulated out-of-state money to infiltrate state and local elections; and we support the goals outlined in the American Anti-Corruption Act to remove the corrupting influence of money on our political system. The Act prohibits politicians from taking campaign money from special interest groups including private industries and unions; increases transparency for campaign funding; empowers all voters through a tax rebate voucher to contribute to the candidates they support; prohibits representatives and senior staff from all lobbying activity for five years once they leave office; and places limits on superPACs.

The citizens of the Town of Plainfield implore our elected representatives in Boston, State Senator Adam G. Hinds and Rep. Stephen Kulik, and in Washington, Sen. Edward Markey and Sen. Elizabeth Warren and Rep. Richard E. Neal (or their successors) to lead this effort to enact these initiatives in Massachusetts and in the U.S. Congress.

The Clerk of the Town of Plainfield is hereby directed to give notice to the above representatives by sending a certified copy of this resolution to each of them.

There will also be an informational meeting about this and several other resolutions before the Town Meeting in early May. Look for further announcements.

Whereas there is an alternative means of providing health care for all that also provides better coverage, without co-pays and deductibles, and includes medical, dental and preventative care.
