PEC Meeting Minutes

3/13/19

Convened at 7:05

Attending: Tim, Conrad, Judy, Renee, Stephen

Minutes of 1/8 meeting were read and accepted as amended. There was no meeting in February.

Conrad explained the difference between public and private "caps allocations". 10 kW and under is cap exempt.

Conference Call with:

Resonant Energy rep., Cody Edgerly, Isaac Baker from Resonant introduced what they do regarding project development and being owner partners and their expertise working with municipal entities to meet energy needs for Plainfield with solar.

Discussed siting options. Isaac offered that 2 different sites could be cap exempt and Conrad reminded Isaac that the Compactor service being 3 phase would also be cap exempt.

RE: Highway Garage. Judy reported that B.C. member Peter LaPointe may have a design for doing structural re-enforcement the roof of the garage to accept the additional load of a pv system.

After Isaac got off the call, Cody re-stated their service to us might be that of an RFP writer and help us get the most value for our grant money.

We need to meet with the Building Comm. to narrow down the options for siting to give direction to an RFP.

Next meeting scheduled for 4/10.

Meeting adjourned at 8:35

Respectfully submitted,
Stephen Bushway
