PEC Meeting Minutes
8/12/20

Convened at 7:05 PM

Attending remotely by Google Meet: Tim, Conrad, Renee and Steve
Minutes of the 7/8 meeting were read and accepted.

Conrad spoke with John Wallen P.E. regarding the Pavilion footings, which led to research into it's history. Ed Morann provided that the structure was built in 1987 and recalled details about the footings which Conrad relayed to Wallen, who will provide specs for structural re-enforcement in preparation for a pv system.

HeatSmart MA:

Moving ahead in any significant way is being hampered by the COVID pandemic. The Buckland Energy Comm. Is not meeting during the pandemic. Tim has left a couple messages on Ashfield Energy Comm. Chair, Mary Quigley's line but has yet to hear back. Tim will also talk with Stu Besnoff, Windsor's Energy Comm. Chair about a potential HeatSmart partnership.

Steve announced his resignation from the committee with regret.

Respectfully submitted,
SB
