

Ag Comm Notes 1/6/2022

Present: Anna, Ed, Bi-Sek, Sadie, Elizabeth Lambert

Mediation

The process for the mediation with Elizabeth and Kurt was discussed. Ag Comm members agreed that the meeting would begin with introductions and laying of a few casual ground rules.

Ground rules: civility (no interrupting), allow each party to say their piece and ask questions
Ag Comm's role: we are supportive of both farming and community, our role is to offer a platform for discussion

Elizabeth joined the meeting via Zoom but Kurt didn't attend and couldn't be reached.
Mediation was rescheduled for 2/3/2022.

Town Report

Ed asked that the community involvement in the mosquito spray opt-out be added to the annual report.

Action item: Anna will add.
