

Energy Committee Meeting: April 13, 2022

Attending via Google Meet: Tim, Conrad, Matt, Lyla,

Minutes: Minutes were read and approved {*Motion to approve 4-0 passed}

Old Business:

- I. Town Hall Update
 - A. Incentives Issues due to 2022 changes
 1. Heat pumps and ECM amounts reduced from Energy Resources estimates
 2. Waiting to hear back from Eversource and Energy Resources
 3. We are about 13k short of having the green communities grant covering all of it.
 4. Peter has a project request to finance committee that may be available.
 5. We can proceed as soon as Energy Resources hears from Eversource.
 - B. Won't have funds to do the highway garage - ask for a competitive grant instead
- II. Meet with select board - date not set yet

New Business:

- III. Town meeting in May
 - A. Lyla will make a powerpoint slide and send draft to all including Peter
- IV. Solar Meter Issue from 2016 Solarize Mass Initiative
 - A. 3G Meters no longer functioning. Used to get SREC's which last for ten years.
 - B. Can be hardwired to people's router via ethernet depending on meter
 - C. Can manually report depending on the size of the system to still get spec's
 - D. Replacing meter is \$800-1200. Group purchasing as an option.

*Motion to adjourn (4-0) at 8:18pm

May 11 is the next meeting.
