

APPROVED

**Energy Committee Meeting: April 12, 2023**

**Attending via Google Meet:** Renee, Lyla, Conrad, Matt, TIm, and Peter L.

**Minutes:** Minutes read from the last meeting and approved. \*5-0 (by conrad 2nd tim)

**Old Business:**

- I. Heat Pump Installations
  - A. Hallock Building everything is operating there.
    1. Mini-split does not have an integrated system with the furnace which is needed for the rebate via Eversource.
    2. Stafford Mechanical is looking at options for us from meeting on the 29th.
    3. We are keeping 8" risers. Perhaps, a temporary winter canopy for protection
      - a) Building committee will monitor it
      - b) There is a full year warranty, so will go through another winter
    4. Conrad is monitoring electrical usage
    5. Insulation is finished fixing the items requested by building inspector. Paid them.
  - B. Police Department
    1. Contract signed by Selectboard
    2. Installed by Greencollar. Electrical may not be hooked up yet.
    3. Needs integrated control for this system as well. Let's try to make same as Library.
  - C. Paperwork due in July. Install extension to June 30th.
  - D. Town Hall Insulation
    1. Building Committee can not find a contractor
    2. Having to order the stuff now. GreenCollar may do.
- II. Highway Garage
  1. George has installed new radiant heat system
  2. They would like LED lighting instead of florescent for brightness
  3. Could it be part of a competitive grant? Money available from roof fund.
  4. Minisplit in office is installed and working. Need to remove window a/c unit.

**New Business:**

1. One Plainfield
  - Down to \$43,000
2. Town Meeting coming up soon in May.

Vote to adjourn \*5-0 (8:19)
